

SCIENTIFIC SOCIETY OF ANATOMISTS, HISTOLOGISTS,
EMBRYOLOGISTS AND TOPOGRAPHERS OF UKRAINE

Information Message No. 1

VIII CONGRESS
OF THE SCIENTIFIC SOCIETY OF ANATOMISTS,
HISTOLOGISTS, EMBRYOLOGISTS AND TOPOGRAPHERS
OF UKRAINE

October 14-17, 2026

Lviv, Ukraine

Dear colleagues!

According to the decision of the Board of the Scientific society of anatomists, histologists, embryologists and topographers (SC AHET) of Ukraine dated April 20, 2026, the VIII Congress of the SC AHET of Ukraine will be held on October 14-17, 2026 in Lviv.

We invite you to participate the Congress!

The VIII Congress of the SC AHET of Ukraine is included by the Ministry of Education and Science of Ukraine in the Registration List of the congresses, symposiums and scientific and practical conferences to be held in 2026.

Congress participants will receive certificates. The abstracts of the reports will be published in the Abstract book of the Congress.

Format: mixed format.

Scientific Program of the Congress:

- Fundamental issues of normal anatomy, histology, embryology, clinical anatomy and comparative morphology;
- The importance of morphological disciplines in the modern system of medical and veterinary education;
- Approaches and transformation of teaching morphological disciplines in wartime conditions;
- Organization of the educational process in conditions of relocation of higher education institutions or limited access to departments;
- Morphological research in experimental, clinical and veterinary medicine;
- Tissue reactions of human and animal organs in ontogenesis, during regeneration and pathological conditions;
- Variant anatomy and its significance for medicine and modern morphology;
- New morphological methods and scientific technologies;
- Morphological aspects of military medicine;
- Morphology of mine-explosive and gunshot trauma;
- Innovative regeneration technologies and biomedicine;
- Morphological justification of tissue engineering and bioimplantation;
- International cooperation, grant support for morphological departments and laboratories in wartime conditions and post-war restoration of scientific infrastructure;
- Modern aspects of biomorphology;
- History of the development of domestic and world morphology.

Official languages of the Congress – Ukrainian, English.

Forms of participation the Congress:

- oral presentation;
- poster presentation;
- participation in plenary, sectional meetings and discussions;

- correspondence (publication of abstracts).
- Abstracts of reports are accepted for publication.

Requirements for abstract design:

Abstracts should be 1 to 3 pages long. The text should be printed with 1.5 spacing, font size 14 Times New Roman in Microsoft Word, without hyphens. Paragraph indentation should be 10 mm. Margins on all sides should be 20 mm.

Abstract structure:

Title of the work (without abbreviations)

Author(s): surname, initials

Full official name of the institution

City, country

Text

Abstracts may contain diagrams, graphs and tables created using the internal tools of the MS Word editor. The text of abstracts should be formatted in the following sequence: introduction with justification of the relevance of the research; purpose; materials and methods; results and their discussion; conclusions; list of references (if necessary). Numbering of sources in the list should be in the order of citation. References in the text to sources of literature should be presented as a serial number in square brackets [].

The authors are responsible for the content of theses and adherence to the principles of academic integrity.

Information for participants

To participate the Congress, you must submit to the Organizing committee by September 1, 2026:

- 1) an electronic version of the text of the abstracts;
- 2) information about the participant (full name, institution, position, academic degree, academic title, email address, contact phone number, form of participation in the conference;
- 3) a certificate of passing the anti-plagiarism test.

The venue of the Congress is the hotel "SUPUTNIK" at the address: Lviv, Knyahyni Olhy Str., 116.

The hotel "SUPUTNIK", as our official partner, gives Congress participants a 10% discount on accommodation. We recommend to book rooms in advance.

Advantages of staying at the event hotel:

- Time savings: zero minutes on the road and traffic jams in the morning.
- Maximum networking: informal communication with colleagues in the lobby and restaurant.
- Flexibility of the day: the opportunity to relax in the room during the break.
- No delays: you are always on time for the start of the first session.
- Domestic comfort: things and equipment are nearby, you do not need to carry them with you.

Please don't hesitate to contact us:

Acting President of the SC AHET of Ukraine, Professor Olena Appelhans
